Downtown Islands/Lots: The various downtown islands and parking lots were defined and assigned for summer maintenance. The regular upkeep of these areas will replace the work party “meetings” of previous years.

Pot and Island plantings: We will use more drought resistance plants in the pots to cut down on the amount of watering that has to be done.

**New Business** –

Spring Cleanup: Start contacting your people and groups for the April 30<sup>th</sup> clean-up. We will go over and update the work sheet at the March meeting.

**Comments from the Public** – None.
