

Climate Protection and Energy Efficiency Committee

A meeting of the CPEEC was called to order at 4:00 P.M., December 1st, 2015 , at Alton City Hall, 101 E. Third Street, Alton.

Members present: Jeff Dale, Alderman David Boulds, Wayne Politsch, Adam Peipert, Zeke Jabusch, Randy Hausmann
Laura Asher

Staff: Matt Asselmeier

Matt & David will meet Homefield energy supplier - new meters...prices went up...meeting on 12/2 on why prices on electric are going up...low bid will get contract...(selected for green energy).

Wayne- AARP- using their criteria/benchmarks for Livable Community (www)

Adam: Mississippi River power generation...Witt (Ameren hydro electric) study at Alton Lock & Dam...not cost effective for Brookfield to install small generator. Quincy had a proposed plan also. Flow ratio is 1:1need drop or head of 1:10... Randy spoke to Nate Keener about the River Science Center attempt to generate electric and some of the problems to deal with it...

Randy: would a mega solar project need to be approved by the citizens of Alton? Illinois solar has on average 4.5 hours of sun available.

City participated in the Green-Challenge program and will receive the award in January.

adj 4:50
